2 Drawer Refrigerated Chef
Base 48"

Short Form Specification

Item No.

Unit to be Electrolux Two (2) Drawer Refrigerated Chef Base with built-in compressor unit. Unit able to operate with temperature range from 32° F to 41° F (+0°C to +5°C). Digital thermostat and display are protected by the Stainless Steel front panel. Stainless Steel front panel with incorporated Stainless Steel wire grate is easy to remove for access to the thermostat and to allow for easy cleaning. Used as base below any top unit installed on feet. Freestanding installation: does not allow flush connection between base and Electrolux top units nor between any side units. Delivered on casters.

APPROVAL:

Main Features

- Digital thermostat and display are protected by the Stainless Steel front panel.
- Heavy duty Stainless Steel tubular drawer handles.
- Two (2) Drawer Refrigerated/Freezer Base with built-in compressor unit.
- Unit able to operate as refrigerator with temperature range from 32° F to 41° F (+0° C to +5° C).
- Stainless Steel front panel with incorporated Stainless Steel wire grate is easy to remove (protected by key lock) for access to the thermostat and to allow for easy cleaning.
- Delivered with stainless steel top with rear splash and sides to install top units with feet (doesn't allow modular installation).
- To be installed not closer than 2" (5 cm) from any wall or hot cooking appliances.
- The refrigerated air is discharged at the rear of the unit.
- Automatic defrost every 6 hours, the unit will turn off so the evaporator coil can defrost.

Construction

- Entirely constructed in stainless steel.
- Storage capacity is 6,5 Cu-ft (184lt).
- Unit to be mounted on casters and may be installed on feet (optional accessory).
