## 1 REDUCE COSTS

- .....
- All-metal construction provides durability for longer equipment life
  - Forced air system eliminates the need for weekly defrosting- saving time & money

## 2 SAVE LABOR

- .....
- Easy-to-remove, top-mounted system reduces downtime for maintenance
  - Factory-installed casters on adjustable caster rails simplify installation, cleaning, & maintenance

## 3 SUPPORT SERVING-LINE DESIGN

- .....
- Low entry point into the cabinet provides easy access to all & keeps the serving line flowing smoothly
  - Forced air design keeps contents at cold, consistent temperatures throughout the cabinet
