- custom size 96" and up come with 2 strainers

**Included Item:**

**Optional Grate Design:**

**Description**

This floor trough is a versatile draining option that will help you maintain safe and sanitary floor conditions! This floor trough can be installed beneath steam equipment in your restaurant's kitchen for convenient end-of-day draining, or used at any other operation that requires draining of excessive amounts of water. It boasts a durable stainless steel grating that has 5/8" clearance between bars to permit fluid and block potential clogs.
