

Evolution Series • Model G-1MRG-HC

Dimensions & Specifications

Exterior Size WxDxH (Inches)	24.25" x 24" x 76.25"
Interior Size WxDxH (Inches)	20.25" x 17.875" x 48"
Hinged Solid Door	1
Interior Capacity (Cu/Ft)	11.1
Powder Coated Shelves	4
Shipping Weight	275 lbs.

Refrigeration System

Refrigerant	134A
Refrigerating Cycle	+ 2°C ~ + 8° C
Refrigeration System	Capillary Tube, Forced Air
Defrost Method	Automatic

Electrical System

Horse Power	1/6+
Power Supply	115/60/1
Amps	3.2
Energy Consumption	2.7 kWh/24 hrs
NEMA Plug	5-15P

Controller Specifications

Digital Microprocessor	LCD Screen
Touch Key Pad	Multi-program
High/Low Visual Alarm	Yes
High/Low Audible Alarm	Yes

Construction

Exterior	304 Series Stainless Steel
Interior	304 Series Stainless Steel
(1) Hinged Solid Door	Double-pane
Hinges	Torque-rod, flush with door
Handle	ABS extruded & recessed
Door Lock	Yes
Lighting	LED Lights

Other Features

Access Port	Top Right, 7/8" Diameter
Product Simulator	Glycol & Probe Included
Casters	(2) Locking, (2) Non-Locking
Air Plenum	Black-wall, for even air distribution
Dry Contacts	NO, NC, C
Power Failure Alarm	

Warranty Protection Plan

Compressor	5 years
Parts	1 years
Labor	1 year

Certifications

ETL Electrical-Intertek	cETLus
-------------------------	--------

Options

MMS Alarm	Alarm System with Added Features
Data Logger	Includes Certificate of Calibration
