Specifications

TD-L Wall/Backsplash Mounted Mini Towel Dispenser holds & dispenses 200 standard C-fold or 275 standard multi-fold paper towels.

The unit is constructed of 22GA stainless steel type 304 alloy 18-8. All exposed surfaces are #4 satin finish.

The unit is provided with refill viewer slots on each side & internal towel stack guides.

Dispenser door attaches to the bottom of unit with a concealed full length $\frac{3}{16}$ " diameter ($\varnothing 4.8$) heavy duty stainless steel multi-staked piano hinge & held closed with a tumbler lock key.

Product Guide

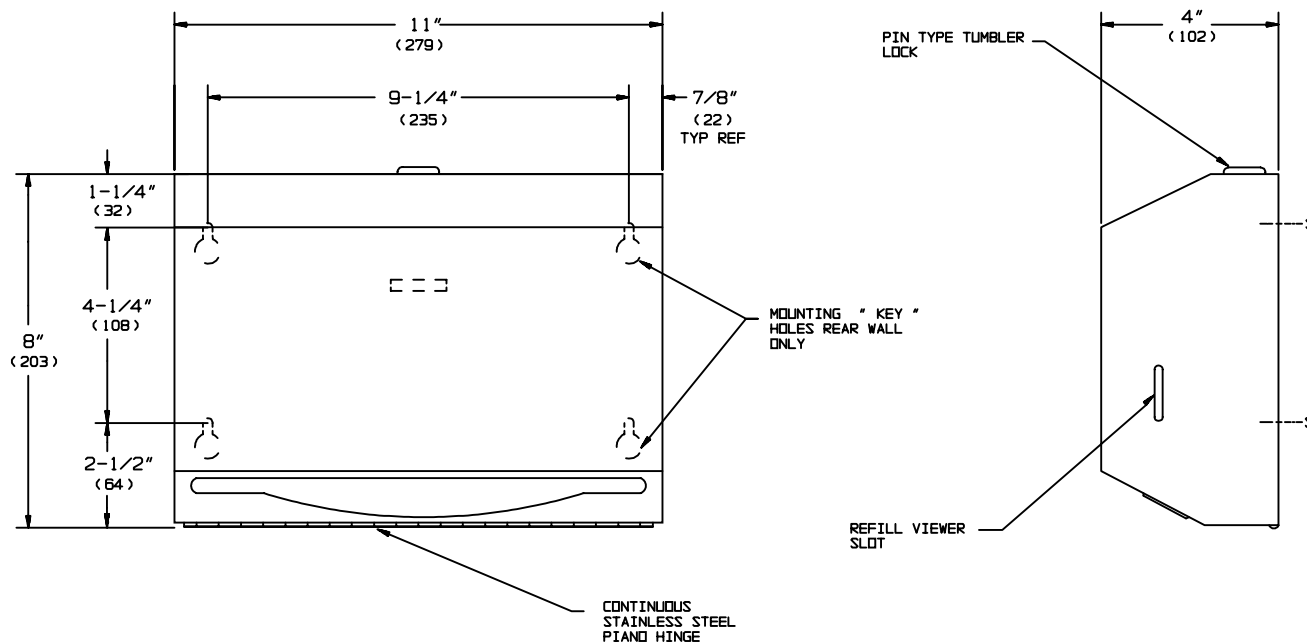

Towels are self-feeding as withdrawn by hand until supply is depleted. Unit may be reloaded with a partial load in-place & will continue to feed properly. Low level of towel supply is indicated from 35% capacity to empty.

Unit is a reduced size model & has less capacity than larger models, therefore it is recommended to use this unit in space-restricted or low traffic areas.

Locking door prevents unauthorized access or removal.
