FINEX Skillets

FINEX Cast Iron Skillets

SL12-10001 - 12" Skillet w/Lid

S12-10001 - 12" Skillet

SL10-10001 - 10" Skillet w/Lid

S10-10001 - 10" Skillet

SL8-10001 - 8" Skillet w/Lid

S8-10001 - 8" Skillet

The FINEX Cast Iron Skillet was inspired by a time when a polished cast iron skillet was at the heart of every American kitchen but designed to meet the expectations of today's cooks. Like the best antique skillets, it has a polished ultra-smooth cooking surface for minimal sticking and easy cleaning. Unlike your grandparent's skillet the distinctive geometric shape is pour friendly and the stainless-steel spring handle cools down quickly.

FINEX Grill Pans & Griddle

FINEX Cast Iron Grill Pans & Griddle

G18-10001 - 18" Double Burner Griddle

G12-10002 - 12" Double Handle Grill Pan

G10-10001 - 10" Grill Pan (Grillet)

G15-10001 - 15" Lean Grill Pan

Griddle

Over 200 square inches of machined, polished and pre-seasoned cooking surface, capped with dual stainless steel “Speed Cool” handles: our new Double Burner Griddle is designed to inspire and built to deliver. Family breakfasts, dinner parties, big backyard barbecues—whatever the occasion, the Double Burner Griddle can make it memorable. Invite everyone to the table with our newest culinary heirloom.

Grill Pans

FINEX grill pans make us happier than a dry-aged steak. Our grill pans get hotter than some Texas counties and are almost as wide. If you are serious about grilling our pans provide professional BBQ results on any heat source. Rich foods drain easily and don't fry with the help of our wide, extra-deep grill ribs patterned after commercial BBQ grates.

FINEX Dutch Oven / Sauce Pot

FINEX Cast Iron 5 Qt. Dutch Oven

DL5-10001 – 5 Qt. Dutch Oven

Like all FINEX cookware, the new 5 Qt. Dutch Oven can be used on any heat source, from open fire and grills to gas, electric or induction ovens. The 5 Qt. Dutch Oven is pre-seasoned with organic flaxseed oil for a smooth, durable finish that is stick and rust resistant, and like any premium, traditionally-seasoned cast iron, is continuously re-seasoned with each meal.

FINEX Cast Iron 1 Qt. Sauce Pot

SP1Q-10001 - 1qt Sauce Pot

Your grilling deserves better than a cold marinade. Stable and tip resistant each Sauce Pot is made by hand from premium American cast iron, polished stainless steel and brass and then double hand seasoned with organic flax seed oil for a lifetime of use. Around here this pot has already proven its worth heating countless soups, side dishes and makes the best S'mores dip we've ever dipped. A FINEX 1 Qt. Sauce Pot is handier than a handle on a knife.

FINEX Accessories

FINEX Cast Iron Accessories

CK1-10001 - 3pc Cast Iron Care Kit

L8-10001 - 8" Cast Iron Lid

L10-10001 - 10" Cast Iron Lid

L12-10001 - 12" Cast Iron Lid

TR8-10001 - 8" Laser Cut Cherry Wood Trivet

Lids:

When you add a lid, your skillet turns into a steam- ing, simmering, braising and poaching machine. Our lid is designed to fit perfectly over our six pour spouts to lock in flavors. Integrated self-basting rings enhance flavors—especially when slow simmering sauces or oven braising.

Care Kit:

Heirloom quality cookware deserves superb maintenance. The Scraper and Scrubber were specifically designed to fit our Skillet corners and match our Grill Pan ribs. The drip-free eyedropper dispenses 100% organic flaxseed seasoning oil. Designed for FINEX, built for all cast iron, the FINEX Care Kit trio contains everything you need to keep all your cookware pristine for generations.

Trivet:

The decorative and functional FINEX Laser Cut Cherry Wood Trivet protects fine wood tabletops and kitchen countertops from heat, scorching and potential scratches. Crafted in America.
