Operating instructions

Handdivider

1. Put the bowl with dough into the machine.
2. Press the pressing lever down on the dough to hand out it evenly.
3. Pull the cutting lever and press immediately the pressing lever down.
4. Swing the pressing lever back into starting position. Remove the dough bowl with the finished pieces.

Cleaning Description

Handdivider

This machine has only to be used for pressing and cutting dough!
Never use this machine for other products!
Never put the bowl or any parts into the dishwasher - it may damage.
Never use a power cleaner or a water hose to clean the machine.
Clean the machine base daily with a dry piece of cloth.
Clean the bowl daily with lukewarm water.
Never use aggressive cleaning agent.

DAILY CLEANING OF THE HEAD:

1. Take out the dough bowl.
2. Remove one disconnecting bolt.
3. Lift up the yoke. **ATTENTION: TOP HEAVY!**
Lift it up slowly to avoid that the machine tips over.
4. Take a customary in trade bottle-brush (Not included) to clean the piston.
5. Move back the yoke and fix the disconnecting bolt.

Original Equipment Warranty

BAKERY EQUIPMENT & SERVICE CO., INC. warrants that its products, as supplied to the original user, is free from defects in material and workmanship, and is suitable for the use for which it is sold. The Company's obligation under this warranty shall be limited to replacing, or at the option of BAKERY EQUIPMENT & SERVICE CO., INC. repairing, without charge any part found to be defective and expense incurred (labor and material) for its installation for a period of ninety (90) days or 750 hours of operation, whichever occurs first, from date of shipment from the factory, or upon special written request to the factory and acknowledged by the factory from the date of installation when there is a long installation delay. After said ninety (90) days or 750 hours of operation and for (1) year or 3,000 hours of operation, whichever comes first from warranty initiation date, this warranty shall apply to defective parts replacement at no charge to original user.

This warranty does not cover any defect due to or resulting from handling, abuse, misuse, improper maintenance and cleaning, or harsh chemical action, nor shall it extend to any unit from which the serial number has been removed or altered, or acts of God. BE&SCO equipment is solely intended for use in a commercial facility. The warranty will not be supported and may be voided if BE&SCO equipment is used in a non-commercial or household setting. Adjustments such as calibrations, leveling, tightening of fasteners or plumbing connections normally associated with original installation are the responsibility of the dealer or installer and not of BAKERY EQUIPMENT & SERVICE CO., INC.

BAKERY EQUIPMENT & SERVICE CO., INC. shall not be liable, directly or indirectly, under any circumstances for consequential or incidental damages, including, but not limited to: (i) any loss of business or profits; and (ii) labor, material or other charges, claims, losses or damages incurred or suffered from, in connection with or in consequences of the working upon, alteration, or repair of any such defective products or parts by persons or firms other than BAKERY EQUIPMENT & SERVICE CO., INC.

This warranty applies only to products shipped to and used with the Continental United States and Canada. All other customers will be provided a spare parts kit in lieu of the above warranty. These kits will be provided with delivery of your purchased equipment. The kit shall consist of parts identified, at the sole discretion of Bakery Equipment & Service Co., INC.

At Bakery Equipment & Service Co., INC., we continuously strive to provide the highest quality products and services. This warranty serves to exhibit our commitment to this endeavor.
