Sliding Door Refrigerated Merchandisers

67K-208

Features:

- Clearly display your products with anti-fogging, dual-pane tempered glass doors and bright interior LED lighting
- Sliding doors allow for easy access in areas without enough space to open swing doors
- Backlit top panel attracts customers to the Merchandiser
- Bottom-mount compressor allows for a raised bottom shelf that makes it easier for both customers and employees to reach products
- Easy-to-use digital controls with large LED temperature display
- Casters included (2 with brakes) for mobility and versatility for where you need the unit
- Durable painted steel exterior
- Superior temperature retention with a polyurethane insulated cabinet
- 60Hz / 1 phase, with NEMA 5-15P plug
- R290a Refrigerant
- 2yr Parts and Labor, 5yr Compressor warranty
