Wood Characteristics:

*Wood owes its inherent beauty to variations in color, graining, and texture in its natural state. In our finishing process, we attempt to accent this beauty rather than subdue it. Consequently, the solid wooden chairs/ table tops you receive may not be a perfect color match. Similarly, there may be minor color variations in color from one table top to the next even though they are fabricated at the same time.

*Standard prices for 1-2 coats only. Additional coats are subject to upcharge.
