Dimensions shown are the actual physical dimensions. Additional clearances to the cabinetry are dependent on the tolerances of the cut-out. The suggested cut-out dimensions are listed in the chart below but these dimensions can be reduced if the tolerances are controlled. Please refer to the product manual for installation instructions.

| Suggested Cut-out Dimensions |        |
|------------------------------|--------|
| Height                       | 19.125 |
| Width                        | 18.938 |
| Depth                        | 23.000 |
| Material                     | SS 304 |
