Black porcelain enamel & chrome
shown with optional lighted roof & stand

TECHNICAL DETAILS

Overview of some of the standard features.

Independent motors
adjustable in depth for each spit

Robust hinges designed for
heavy use, with integrated
locking in open and closed
positions

Easy and protected access to
the compartment of
connections and electrical
components

Reinforced heating elements
with stainless steel holders
to keep them in place and
removable stainless steel
panels for easy cleaning

Anti-scald K-glass reduces
external thermal radiation
(energy saving). Glass overlaps
drip pan to keep splatters
inside (anti-slip protection).

Removable inside side-panels
doubles protection from
grease seeping into motors
and other sensitive parts.

ACCESSORIES

A variety of accessories are available. See video of available accessories and of vertical spit system online.
