FULL / HALF SIZE CAN RACKS

## Full / Half Size Can Racks

Easily store, restock, and transport cans with the Full and Half Size Can Racks. Utilize space under tables with the half height design.

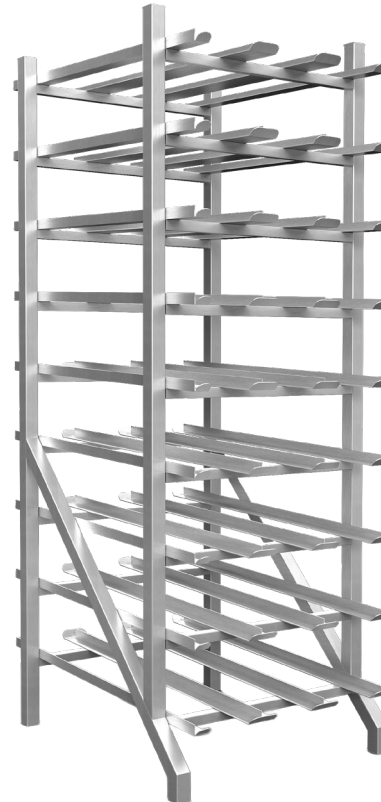

### Features:

- All welded aluminum and stainless steel construction options available
- **Lifetime Warranty Against Rust**
- Holds #10 & #5 cans
- Half height unit work tops available in aluminum, stainless steel, or poly top
- Mobile units are easily maneuvered on polyurethane (2) 5" locking swivel casters and (2) 5" rigid casters

### Benefits:

- Organizes can stock and maximizes available space.
- Self-feeding feature keeps stock rotated.
- Half height mobile units double as a work station
- Maintains sanitary environment in the kitchen
- Aluminum and stainless designs are sturdy and reliable.
- Safely and efficiently transport items with our mobile units.
- Half height mobile units are designed for low volume locations that do not need a full size rack.
- Ensures conformance to FDA rule that requires the storage of all fresh produce be at least 6" above the floor.
