

ENHANCE THE APPEAL OF YOUR FROZEN BEVERAGE MENU

Frozen Uncarbonated Beverage Dispensers

Variety of Drink Options

Quickly serve any frozen beverage your customers crave, from a strawberry daiquiri or iced coffee to a healthy smoothie.

Quiet

With SilentSound Technology results in the lowest dbA in the industry, there is no need to raise your voice, just your glass!

Push/Pull Self-Closing Handles

Fill multiple pitchers easily with the spring-loaded handle action and full pitcher tray.

Large Output

Five-gallon hopper and two-gallon freezing cylinder ensure the drinks keep flowing.

Small Footprint

Compact design sits flush with other machines and/or the wall to allow for optimal countertop usage.

Illuminated LED Billboard Space and Product Display (optional)

Increase sales by featuring graphics of your choice for promotion and brand awareness.
