ABOUT US

I We build racks to increase your efficiency, lower your maintenance costs and reduce your risk of accidents.

VISION:

To be the most trusted and respected manufacturer of innovative mobile systems for the food industry and beyond.

MISSION:

We achieve profitable growth on a foundation of expertise, service excellence, branded products and total integrity. We earn the loyalty of all our stakeholders through continuous improvement, innovation and teamwork.

We contribute to the benefit of our stakeholders and society through high achievement in our people, products and processes. And we have fun doing it!

VALUES:

Integrity – We do the right thing. Always!
Creativity – We always look for a better way
Collaboration – We accomplish more together
Loyalty – We give it to earn it

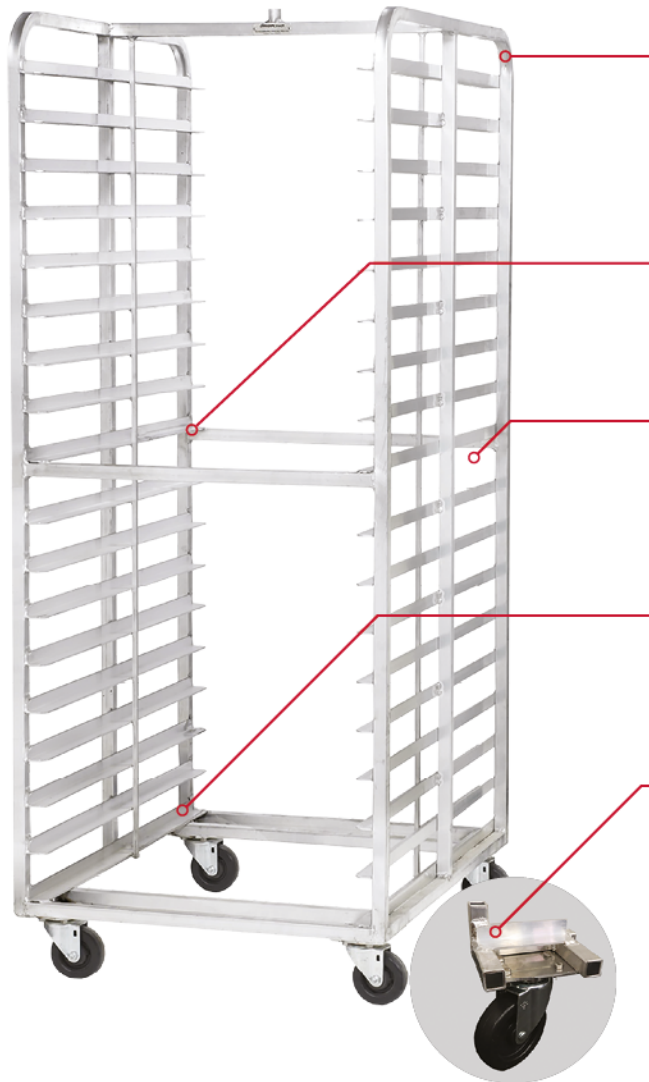

VALUE PROPOSITION:

- Solve sanitation issues
- Reduce risk of employee injury
- Maximize production time
- Improve efficiencies
- Reduce downtime
- Reduce maintenance costs

I We do things right by doing the right things!

ANATOMY OF A SHOPCRAFT RACK

01

All-welded construction, no rivets, nuts, or bolts except for the stainless steel fasteners which attach the casters.

02

Cross tubes welded on all four sides

03

Full pan space clearance between middle cross-section support tubes and lower pan slide

04

All tube ends welded closed

05

Caster Mounting Plates welded to each bottom corner greatly strengthens base of rack

ALUMINUM DOUBLE RACKS

The SHOPCraft model is to build racks that last a lifetime. These pan racks work well for proofing prior to your baking process as well as many other non-oven applications. Order in standard sizes or have them custom built for your pan size.

Aluminum 1" sq, 1/8" tube,
1" x 1-1/2" pan slides,
28-1/2" W x 36" L x 69" H
Holds two (2) pans on each level

Part Number*	Spacing	Slides	Pan Capacity
ARD-206	6 "	10	20
ARD-245	5 "	12	24
ARD-304	4 "	15	30
ARD-403	3 "	20	40

ALUMINUM SINGLE RACKS

These sturdy racks hold one pan per level and can be built as end-load or side-load. They can also be built to use in your oven.

Aluminum 1" sq, 1/8" tube,
1" x 1-1/2" pan slides,
20-1/2" W x 26" L x 69" H
Holds one (1) pan on each level

Part Number*	Spacing	Slides	Pan Capacity
ARS-106	6 "	10	10
ARS-125	5 "	12	12
ARS-154	4 "	15	15
ARS-203	3 "	20	20

* Add -A for Revent A, -B for Baxter/Adamatic, -C for Revent C, -D for Dahlen to any part number

STAINLESS STEEL DOUBLE RACKS

With our strong, durable construction, these oven racks last a lifetime and are built for whatever oven you have, lift or turntable varieties.

Stainless Steel 1" sq, 16ga tube, 16ga formed sheet metal pan slides, 28-1/2" W x 36" L x 69" H
Holds two (2) pans on each level

Part Number *	Spacing	Slides	Pan Capacity
SRD-206	6 "	10	20
SRD-245	5 "	12	24
SRD-304	4 "	15	30
SRD-403	3 "	20	40

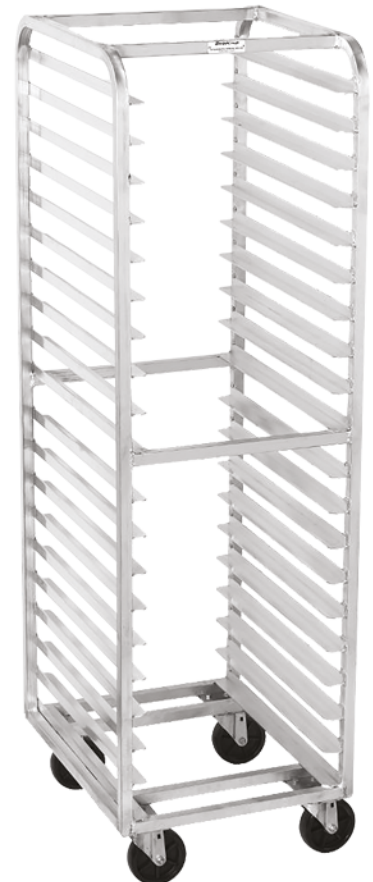

STAINLESS STEEL SINGLE RACKS

These sturdy racks hold one pan per level and can be built as end-load or side-load. They can also be built to use in your oven.

Stainless Steel 1" sq, 16ga tube, 16ga formed sheet metal pan slides, 20-1/2" W x 26" L x 69" H
Holds one (1) pans on each level

Part Number *	Spacing	Slides	Pan Capacity
SRS-106	6 "	10	10
SRS-125	5 "	12	12
SRS-154	4 "	15	15
SRS-203	3 "	20	20

* Add -A for Revent A, -B for Baxter/Adamatic, -C for Revent C, -D for Dahlen to any part number

ACCESSORIES

ARSN-154	4 "	15	15
ARSN-203	3 "	20	20

KWIK CRAFT

This commercial bakery pan rack is simple, yet perfect for all food service applications.

Made with lighter gauge materials but the same quality manufacturing, for when you don't need 24/7 use.

Unlike other rack brands, ours will not tip, break down, or cost you a ton in repairs.

KWIKCraft racks are built and designed to last which means that you can run your business more efficiently, with less worries.

Part Number	Spacing	Slides	Pan Capacity
K-125	5 "	12	12
K-154	4 "	15	15
