

Parker Drinkware Collection

BPR8

ROCKS GLASS, TRITAN, CLEAR, 8 OZ.

3-1/8" DIA. X 3-7/8" H

With the look of crystal but the durability of plastic, the Parker Collection's elegant sophistication will certainly turn heads. Made of the Tritan Copolyester, shatter-resistant, ultra-strong, dishwasher-safe material, this line of stemware and heavy-based drinkware is designed to serve where breakage is not an option. Available in a variety of popular shapes, capacities and styles.

Meet the 8 ounce rocks glass from our Parker Collection, perfect for elevating any drinking experience. Measuring 3-1/8" diameter x 3-7/8" high, this glass is ideal for serving whiskey, cocktails, mocktails, or soft drinks. The thick sham design ensures a comfortable and sturdy feel in your hand, while the Tritan plastic construction provides the elegant look of glass with shatter-proof durability. Its timeless design seamlessly fits into an elevated dining experience and is also perfect for poolside drinks. Pair it with other pieces from the Parker Collection for a cohesive and sophisticated drinkware set that combines beauty and practicality.
