The Hampton Collection: where laid-back coastal charm meets stylish versatility. Crafted from sun-bleached mango wood and crisp white finishes, these plates, platters, pedestals, and risers bring the breezy beach vibes right to your table. Whether you mix and match for a layered look or let each piece shine on its own, the light, airy design is perfect for showcasing any dish, from seafood spreads to sweet treats. Elevate your presentation with a splash of sunshine and a hint of relaxation.

This sun-bleached multi-functional bowl and riser is your go-to for adding a bit of coastal flair to any spread! Its 6-1/8" diameter is perfect for raising hors d'oeuvres, mini pastries, or a colorful fruit assortment. The ribbed edges evoke nautical rope, lending a laid-back beach vibe. Turn it over to use as a bowl for small treats. For an extra touch of beachy charm, place two risers under one of our long Hampton platters, and let their coordinating ribbing make waves in your display! Handcrafted by artisans in India, each piece carries unique variations in texture and color— a true mark of its natural beauty.
