

# ARFG18PV

79.63" x 27.63" x 26.25" (H x W x D)

PHARMA-VAC Performance Series combination 2-door/2-compressor refrigerator-freezer for pharmacy, medical, and life science applications

**Highlights:**

- Purpose-built design to store medication, pharmaceuticals, and other sensitive materials
- Independent dual compressor refrigerator and freezer storage in one slim-fitting footprint to maximize storage capacity without compromising performance
- Intelligent microprocessor digital temperature controller for optimum temperature management

**Product Features:**

|                                                     |                                                                                                                                                                                      |
|-----------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Performance Series Refrigerator-Freezer Combination | Purpose-built all-refrigerator and all-freezer for vaccine storage in medical, pharmaceutical, and life science applications                                                         |
| Purpose-built design                                | Designed and purpose-built for pharmacy, medication, and vaccine applications to support meeting CDC/VFC/VFA guidelines                                                              |
| +/-1°C Variation                                    | The published temperature variation is derived from the maximum deviation of an NTC sensor in a 1 oz. vial located nearest the chamber geometric center during a 24 hour test period |
| Refrigerator window                                 | Triple paned glass on the upper refrigerator section provides a clear view of interior contents                                                                                      |
| Space-saving design                                 | Allows you to create a full refrigerator-freezer with independent controls in a slim-fitting footprint                                                                               |
| Antimicrobial silver ion-coated handles             | Powder-coated handles with naturally occurring silver ions to help reduce the spread of germs                                                                                        |
| Adjustable temperature                              | Intuitive controls let you adjust the interior temperature between +2 to +8°C (refrigerator) and -30° to -10°C (freezer)                                                             |
| Temperature alarms                                  | Visual and audible alarms alert if the interior temperature rises or falls out of set range                                                                                          |

|                       |                                                                                                                                                                  |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Remote alarm contacts | Electronic controller is equipped with a volt-free contact for alarm forwarding to an external remote system (contacts located in the external rear of the unit) |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------|

## ARFG18PV Specifications:

| Overview                          |                      |
|-----------------------------------|----------------------|
| Height of Cabinet                 | 79.63" (202 cm)      |
| Width                             | 27.63" (70 cm)       |
| Width with Door Open              | 28.13" (71 cm)       |
| Depth                             | 26.25" (67 cm)       |
| Depth with Handle                 | 27.25" (69 cm)       |
| Depth with door at 90°            | 55.13" (140 cm)      |
| Capacity                          | 15.54 cu.ft. (440 L) |
| Defrost Type                      | Cycle                |
| Door                              | White                |
| Cabinet                           | White                |
| US Electrical Safety              | ETL                  |
| Canadian Electrical Safety        | ETL-C                |
| Amps                              | 2.6                  |
| Voltage/Frequency                 | 115 V AC/60 Hz       |
| Weight                            | 275.0 lbs. (125 kg)  |
| Parts & Labor Warranty            | 2 Years              |
| Compressor Warranty               | 5 Years              |
| UPC                               | 761101156699         |
| Refrigerator-Freezer              |                      |
| Door Swing                        | RHD                  |
| Reversible                        | Factory Reversible   |
| Adjustable Shelves                | Yes                  |
| Interior Light                    | Yes                  |
| Refrigerator - Interior Height    | 40.0" (102 cm)       |
| Refrigerator - Interior Width     | 23.75" (60 cm)       |
| Refrigerator - Interior Depth     | 17.75" (45 cm)       |
| Refrigerator - Capacity           | 11.04 cu.ft          |
| Refrigerator - Shelf Type         | Wire                 |
| Refrigerator - Shelf Qty          | 4                    |
| Refrigerator - Temperature Range  | 2 to 8°C             |
| Refrigerator - Refrigerant Type   | R600a                |
| Refrigerator - Refrigerant Amount | 1.44 oz.             |
| Freezer - Interior Height         | 15.75" (40 cm)       |
| Freezer - Interior Width          | 22.0" (56 cm)        |

|                              |               |
|------------------------------|---------------|
| Freezer - Interior Depth     | 19.5" (50 cm) |
| Freezer - Capacity           | 4.5 cu.ft     |
| Freezer - Shelf Type         | Wire          |
| Freezer - Shelf Qty          | 2             |
| Thermostat Type              | Digital       |
| Fan Type                     | Interior      |
| Wheels                       | 4             |
| Freezer - Temperature Range  | -30 to -10°C  |
| Freezer - Refrigerant Type   | R290a         |
| Freezer - Refrigerant Amount | 1.27 oz.      |
