

Self-Service Multi-Deck Island Merchandiser

KAR-66-IS-SC-B | KAR-66-IS-R-B

There is nothing like real visual appeal to compliment airport shops, grocery stores & popular convenience stores. The KOOL-IT Karousel Island Series self-serve refrigerated merchandisers feature an ultra-modern appearance, a rigid stainless steel base, and an open, illuminated case.

The durable exterior resists rust, corrosion, and wear to prolong service life, and it can simply be wiped clean after use. These are available either as remote or self-contained systems.

Durable Design

- Two (2) (Self-Contained) or three (3) (Remote) shelves
- Stainless steel base and attractive baked enamel black finish
- Four (4) Leveling feet

Superior Quality

- Automatic defrost feature
- Digital thermostat control
- 39° - 54° F (4° - 12° C) temperature range
- LED lighting

Energy Efficient

- R448A Refrigerant
- Entire cabinet structure engineered to the highest standards
- Built using foamed in place high density CFC-free polyurethane insulation

This merchandiser's self-serve design encourages impulse purchases and is comprised of three individual levels with staged tiers provides full visibility of displayed drinks, sandwiches, salads, snacks, and desserts. Attractive LED lighting around all perimeters illuminates your products.

All of your drinks and snacks are held at cool, safe temperatures, the KOOL-IT Karousel uses R448A hydrocarbon refrigerant to produce operator-set temperatures. As inventory changes, users can set temperatures with the electronic thermostat and minimize unseemly frost buildup with the defrost control.
