TOOLS NEEDED (NOT INCLUDED):

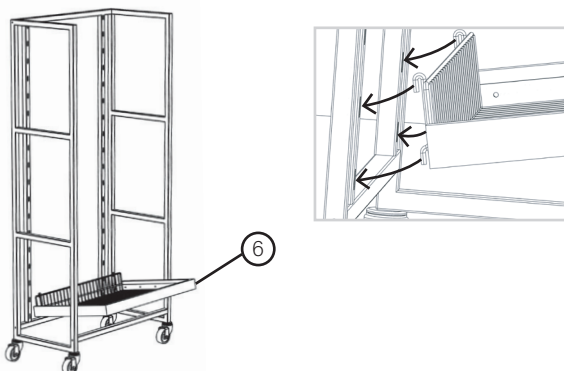

- 1 Assemble Back Frame(1), Left Side(2), Right Side (3), and Front Bar(4) as shown, by inserting ends of Back Frame into slots of Sides, then secure with Bolts(10).

- 2 Insert Swivel Casters(8,9) into bottom of Left and Right Sides, and hammer into place with Rubber Mallet. It is recommended to assemble locking casters in the front.

- 3 Starting with the bottom-most Shelf(6), insert top hooks at back of shelf into slots in Back Frame at desired height, then hinge down to insert bottom pegs into slot below. Repeat with all shelves, customizing distance and number.

- 4 Insert Top Sign Holder(6) into holes at top of Back Frame, then fit Shelf Labels(7) over front edge of Shelves, as shown.
