Premium plastic drinkware from Libbey Foodservice

Libbey is proud to introduce Infinium™. It mimics the clarity of glass and is virtually unbreakable. Bring a more upscale, trendy vibe to beverage service where plastic is a preferred option, such as poolside, cruise ships, outdoor dining or nightclubs.

Made of 100% BPA-free **Tritan™ copolyester**, Infinium provides performance other plastics cannot match:

Industry-leading toughness

Impact and shatter resistant

Dishwasher durable

Maintains a "like new" appearance even after hundreds of cycles

High resistance

Resists stains, odors and tainting of beverage flavors

Temperature resilience

Withstands extreme temperatures from boiling to freezing

Innovative design

Space-saving tumblers stack without sticking and inhibit water pooling on the bottom

Contact your Libbey Foodservice sales representative or visit libbey.com for more Infinium information and [sales materials](#).
