

PORCELANA BANDED HEALTHCARE

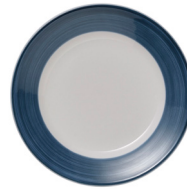

Everyone deserves a dignified dining experience. Give diners with visual impairments confidence when you serve meals on Porcelana Banded dinnerware. Crafted for assisted living use, each piece features a hand-painted blue band that enhances plate visibility, allowing diners to easily recognize the edge of their plate. This durable, versatile pattern is compatible with the full Porcelana assortment, giving you flexibility in serving a wide range of needs.

FEATURES & BENEFITS

- Porcelain dinnerware features hand-painted blue band decoration for artisanal appeal
- Blue band enhances plate visibility and give diners confidence when you serve meals
- Tailored for healthcare settings, with a focus on precision handcrafted design
- Smooth, polished foot helps to reduce plate-to-plate surface scratching Bright White body color provides an almost completely color-neutral white shade and complements an extensive range of other Libbey dinnerware
- Vitrified: Vitrified dinnerware is a non-porous surface, with very low water absorption
- Comprehensive range of accessories to complement decorated shapes for versatile dining solutions
- 5-Year No-Chip Warranty
- Dishwasher, freezer, microwave and oven-safe
