ARTISTRY COLLECTION™

Islands is the first buffet collection in Noble China. It's fine and functional, offers a cool and informal presentation, and is freely combinable.

Islands is the answer to the trend towards smaller and finer buffets.

- Light and airy professional porcelain with a thin body in a delicate shade of BoneWhite
- Refined looks, natural design vocabulary
- Buffets revisited with a modern and emotional component
- Flexible and carefree composition with buffet elements
- No more traditional, rigidly-geometrical buffet arrangements. Islands allows for creating harmonious arrangements – no matter how the elements are placed
- Trendy material mix: porcelain, wood and slate
- Freely combinable with the ALLURE Noble China collection, Noble China coupe plates, accessories from the PLAYGROUND collection
