

Why Ice Makers by the Month?

Ice Makers by the Month is revolutionizing the way businesses secure their ice supply. Our one-of-a-kind ice machine subscription comes with the best commercial ice machines and equipment from Hoshizaki. Whether you need 200 lbs. or 2,000 lbs. of ice per day, we've got the right machine for you. We guarantee performance by including maintenance and cleaning. There is no upfront capital or surprise maintenance charges. You simply pay a predictable monthly cost.

Features That Work for Your Business:

- ✓ Top-of-the-line Hoshizaki ice makers, dispensers, and bins
- ✓ Delivery and installation
- ✓ Professional grade water filter
- ✓ Preventive maintenance & cleaning twice per year
- ✓ Water filter replacement at each cleaning
- ✓ All repairs, including parts and labor
- ✓ Complimentary Breakdown ice
- ✓ 24/7 customer support
- ✓ Simple ice machine upgrade program

Just Like Owning an Ice Machine, Only Better.

With an Ice Makers by the Month subscription, there's no major capital outlay for the equipment, and we'll handle everything from selecting the right machine to arranging for maintenance and cleaning. We ensure your ice supply stays sanitary and safe by cleaning your machine inside and out. We'll even provide the backup ice should your machine be down for repairs. **No capital. No hassle. Just ice.**

Terms & Conditions:

- If machine failure is due to environmental conditions, subscriber is responsible for cost of repairs (parts and labor) and any packaged ice provided by Easy Ice.
- Each ice machine subscription requires a one-time set-up fee.
- Pricing shown does not include sales tax, which will be added to both the up-front and monthly fees.
- A pricing premium will apply to the following situations: 1) Additional cleanings due to severe conditions; 2) Long drive times from distribution centers; and 3) New York Metro locations.
