

Avalon Cantilever Umbrella |

The Avalon cantilever umbrellas provide style with size for the outdoor commercial space. Its 360 degree rotation and multiple tilting angles for easy opening and closing, offer greater flexibility and make this umbrella a great option for shading any commercial environment. Avalon cantilever umbrellas are made of heavy gauge extruded aluminum and stainless steel parts on a marine grade corrosion resistant frame. This cantilever umbrella, available in two sizes, is suitable for use in low to moderate wind conditions and ensures hours of protection from the sun and light rain. The Avalon cantilever frame and frame finish has a 3 year limited commercial warranty.

Features:

- All-aluminum extruded mast is strong and durable, built for strength in any commercial setting.
- Crank lift designed for smooth and effortless operation, providing countless tilt angles for shade from the sun.
- Full 360 degree rotation
- High impact resin critical joints give greater flexibility where needed.
- Wind stabilizer kit and black protective cover bag included.

Item numbers:

9018-01 9'x 9'SQ cantilever
9019-01 11'Octagon cantilever

Finish: Matte Silver

Avalon cantilever umbrellas have been tested successfully in extreme weather conditions up to 25 MPH, however we strongly recommend closing your umbrella when not in use. Wind ratings do not form part of, or fall under any PPCF warranties.
