9911PL-01	9911CL-01	11' Octagon

Frame finishes available:

72- Matte Silver
52- Matte Black
21- Bronze

Montego umbrellas have been tested successfully in extreme weather conditions up to 40 MPH, however we strongly recommend closing your umbrella when not in use, or when sustained winds exceed 25 MPH. Wind ratings do not form part of, or fall under any PPCF warranties.

Please refer to page 34 for correlating umbrella bases and 35 for fabric that will accommodate the Montego umbrellas. We recommend all umbrellas be secured with an authorized umbrella base.

Montego Umbrellas |

The Montego umbrellas offer exceptional durability and design for the outdoor environment, offered in 3 different frame finish colors and 4 different sizes. The all-aluminum pole and durable fiberglass ribs allow for greater flexibility in stronger winds. Montego has two lift options, a pulley system design with a locking hook to secure upper frame into pole and keep cord out of reach when in use. There is also a solid stainless-steel handle option for manually cranking the umbrella to its upright position. The Montego umbrella is designed to last and will give your outdoor space an elegant look for years to come. The Montego frame and frame finish has a 3 year limited commercial warranty. The manual crank mechanism is warranted for 2 years.
