

IFC Catering - Large Space Saver Yellow Vinyl w/ Black Trim - SpeedHeat

Marketing Message

Sterno IFC Space Saver Yellow Vinyl w/ Black Trim - SpeedHeat Large Yellow 35-1/2x17-3/4 The seamless liners of Sterno's IFC's mean there are no holes that sauces or liquids can seep through to form mold, bacteria and cause odors in the insulation. The multilayered insulation design protects from outside temperatures while maintaining the temperature inside the IFC Superior Grade, tear resistant, vinyl liner holds up to the rigors of the industry. The IFC's include a 5 year Leak-Proof Liner Warranty and the reinforced stitching in high-abuse areas help prevent rips and tears. This carrier fits up to 3 full-size food pans.

Feature Benefits

- NEW Space Saver Design. Get The Capacity But Without The Bulk. Roomy interior fits multiple food pans, then folds flat for storage
- Sterno Watertight™ Liner. No Seams. No Leaks. No Bacteria. Seamless, antimicrobial liners means longer lasting use since there are no holes that sauces or liquids can seep through to form mold, bacteria and odor in the insulation
- High Performance Insulation. Multi-layered design helps keep hot food hot, and cold food cold, by protecting it from outside temperatures while maintaining the temperature inside the IFC
- Super Tough. Constructed to outlast others on the market by using superior grade, tear resistant vinyl liner and reinforced stitching in high-abuse areas to prevent rips and tears
