

## SpeedHeat® Flameless Food Warming System - Refills 8 pack

### Marketing Message

An Instant, Flameless Food Warming System Designed for a Safer, Simpler, and Faster Solution to Catering. SpeedHeat Refills offer operators the option of reusing their SpeedHeat base after a catered event.

### Feature Benefits

- Combine a SpeedHeat refill with your SpeedHeat base (sold separately) to offer instant, flameless heat at your next catering event
- Provides the ability to reuse your SpeedHeat base (for a limited time) if you are picking-up catering equipment after an event
- Just add water for instant, flameless heat that lasts up to 45 minutes
- Save labor and time, consider leaving the SpeedHeat® System behind for the customer to reuse. The base may be reused until wear and tear results in an improper fit with the tray, signaling the time to replace.

### Other Info

#### Usage Instructions

Sterno SpeedHeat® is a food warming system that includes a specially designed base, tray and packets that MUST be used together. Using Sterno SpeedHeat® Refills with any other equipment, such as in a chafing dish water pan, regardless of the type, material or design, is a misuse of the product that may cause personal injury. The SpeedHeat® base may be reused until wear and tear results in an improper fit with the tray, signaling the time to recycle the base.

#### Storage Instructions

Cool and dry storage
