

SpeedHeat® Flameless Food Warming System - 8/cs

Marketing Message

A Safer, Simpler, and Faster Catering Solution. This instant flameless food warming system is quick and easy for all types of catering operations.

Feature Benefits

- With Speed Heat flameless heat, catering can be expanded into locations with open flame restrictions such as Churches, Stadiums, Casinos, Historic Buildings. No more cold food catering.
- Setup and serve offsite in minutes, and don't have to return for cleanup, saving valuable labor hours.
- Just add water for instant flameless heat, and stress less about inexperienced people serving hot food
- Ideal for catering events lasting under 1 hour, i.e. "quick-serve" events; office lunches, business catering, and home parties
- Speed Heat® Refills sold separately.
