

Dispenser Automatic Mobile Station

Marketing Message

Encourage increased hand hygiene in ANY high traffic area with our sturdy, stylish, and portable hand sanitizer dispensing station.

Feature Benefits

- HIGH CAPACITY: 1000mL refillable dispenser helps reduce maintenance.
- Sturdy and portable floor stand allows you to use the dispenser anywhere.
- Stylish station design seamlessly blends into any indoor or outdoor environment.
- Aluminum, midnight blue floor stand includes a weighted base for extra stability and a convenient drip-tray to catch any extra sanitizer to help keep floors clean.
- Automatic, touch-free activation releases 1.5mL of hand sanitizer gel per dose, to minimize cross-contamination and prevent the spread of bacteria.
- 2-in-1 mounting design provides the option to mount the dispenser to the Floor Stand or wall mount for added value and flexibility (screws included).
- ADA compliant in force and one-handed operation, offering accessibility to people with disabilities.
- Minimal assembly required. Uses 4 C-cell alkaline batteries (not included).
- MULTIPURPOSE: Ideal for restaurants, catering events, gyms, assisted living facilities, retail and grocery stores.
- Product Dimensions: 14.12" L x 14.12" W x 56.25" H
