

28mm White Dispensing Pump – 700/case

High quality and durable 28mm locking pump ideal for 1 Liter and other sized bottles for home or commercial use

Features & Benefits

- **MULTI-PURPOSE:** perfect for home or professional use for dispensing liquid soap, shampoo, conditioner, lotion, oils, hand sanitizer and other gels and liquids
- **STANDARD FIT:** Fits 28mm neck size, standard 28/400 neck closure. Compatible with most 700mL, 750mL, and 1L bottles.
- **DISPENSING:** Delivers up to 3mL dose in one smooth motion
- **BUILT TO LAST:** Durable, high quality polypropylene construction securely screws onto containers for long-term use
- **VERSATILE:** Each locking pump comes with a 6” dip tube that can be trimmed by the user to fit a variety of bottle sizes
