# Cantilever Shelving Kits

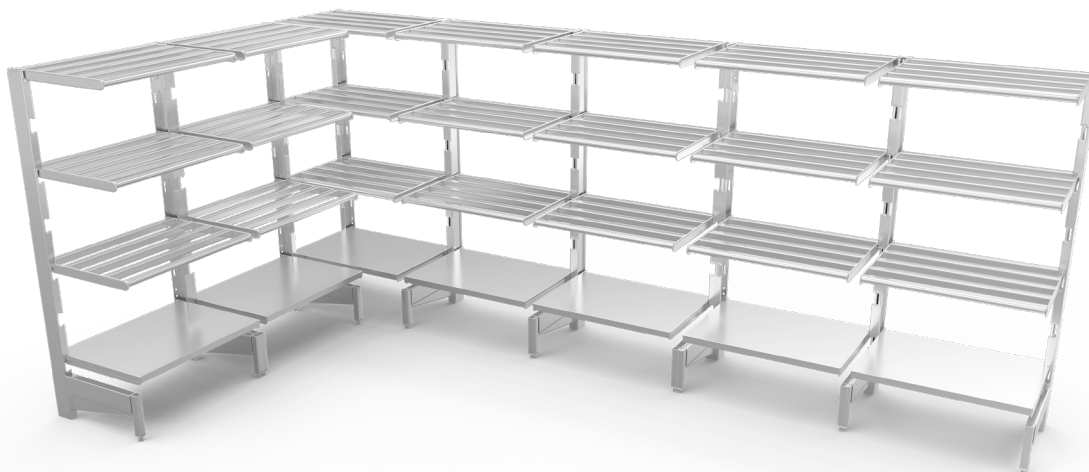

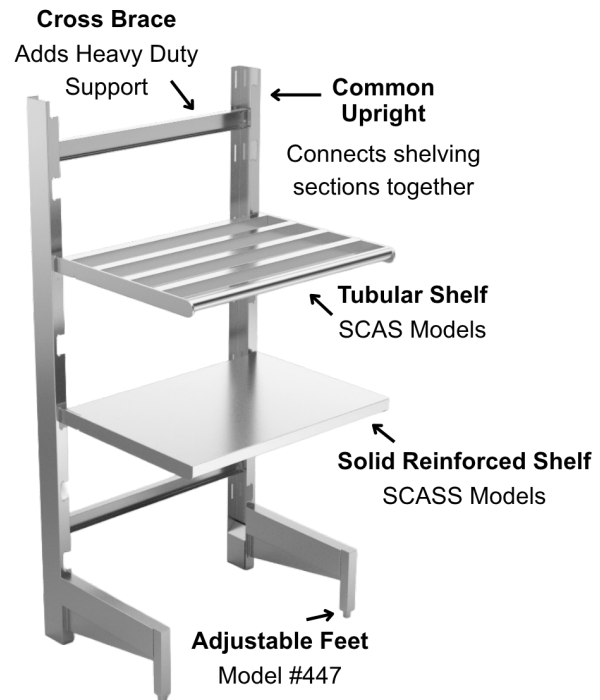

Winholt's Cantilever Shelving brings both durability and adaptability to your storage strategy. Use in temperature-sensitive areas or busy backrooms. Supports seamless organization and quick access without compromising space.

## Features:

- Lifetime Warranty Against Rust
- Wall bolting not required
- Holds up to seven shelves on 10" centers.
- Shelves adjust without tools - just lift and pull.
- Shelves easily removable for cleaning
- Posts are 72" high with front adjustable feet.
- Available in kits or component parts
- Weight Capacity: 2500 lbs per section (maximum for evenly distributed static load capacity)

## Benefits:

- Freestanding shelving design ensures full access to every corner, maximizing usable space and simplifying inventory management.
- Ideal for use in coolers, freezers, and backrooms, offering reliable performance in a range of environments.
- Streamlines product arrangement and retrieval, maintaining a clean and efficient workspace.
