DISCOVER

• • •

THE NEXT GENERATION OF **FOOD SQUARES** DESIGNED FOR YOUR KITCHEN.

Engineered for longer-term storage, these next-generation food squares reduce waste, save time, and bring order to the chaos making your job easier, shift after shift, while boosting margins.

Delivers More Value

Get premium performance without paying more than standard containers.

Improves Workflow

Crystal-clear finish for easy identification, built for daily use.

Seamless Transition

Backward compatibility with existing lids, reducing training and replacement costs.

Optimizes Storage

Stackable design fits with existing PC squares to maximize space.

Reduces Food Waste to Save Money

Built-in reusable labels make tracking easy, eliminate messy tape, and clean easily in the dishwasher or warm water
