Each Acacia wood board is crafted with a beautiful, natural bark décor all around it. Wood is sourced only from sustainable forestry practices and surface sealed with a special heat treatment. Because this is a natural product, wood sizes will vary from: 15"-18" for Large Boards, and 9.5"-12.5" for Medium Boards. Round boards will not be perfectly circular and will have the natural contours found in all wood. Approximately 1.2" thick.
