

Refrigeration Units Warranty

All claims for parts and/or labor must be made directly through SABA. All claims should include: model number of the unit, the serial number, proof of purchase, date of installation, and all pertinent information supporting the alleged defect. In case of compressor replacement under warranty, either compressor or compressor tag must be returned to SABA along with above-listed information. Failure to comply with warranty policies will result in voiding claims.

Two-Year Parts & One-Year Labor Warranty

SABA warrants all new refrigerated components, the cabinet, and all parts, to be free from defects in materials or workmanship, under normal and proper use and maintenance service as specified by SABA and upon proper installation* (indoor building only) and start-up in accordance with the instruction packet supplied with each SABA unit. SABA's obligation under this warranty is limited to a period of one (1) year labor from the date of original installation or twelve (12) months after shipment date from SABA, whichever occurs first. Any part, covered under this warranty, that are by SABA to have been defective within two (2) years of original installation or twenty-four (24) months after shipment date from the manufacturer, whichever occurs first, is subject replacement of defective parts. No labor coverages under the warranty if equipment is installed in geographical locations outside of SABA's servicing network or require more than reasonable travel time as determined by SABA. The labor warranty shall include standard straight time labor charges only, as determined by SABA. (*Installation in unstable, mobile, and the enclosed area may not be considered as proper installation. Units that are installed in concession trucks and/or trailers would be considered remote and are limited to one-year parts warranty, relative only to original cabinet components. No labor will be covered.)

Additional Four-Year Compressor Warranty

In addition to the one (1) year warranty stated above, SABA warrants its compressor to be free from defects in both material and workmanship under normal and proper use and maintenance service for a period of four (4) additional years from the date of original installation, but not to exceed five (5) years. Compressor determined by SABA to have been defective within this extended period will, at SABA's discretion, be either repaired or replaced with a compressor or compressor parts of similar design and capacity. The four (4) year extended compressor warranty applies only to hermetically sealed parts of the compressor and does not apply to any other parts or components, including, but not limited to, cabinet, paint finish, temperature control, refrigerant, metering device, driers, motor starting equipment, fan assembly or and other electrical components, etc.
