Invoq Stands 2/1 GN

Invoq oven stands for full flexibility

For a stable and balanced setup of your Invoq oven solution, we offer stands made from high-grade stainless steel in various configurations: open, with or without racks, or fully closed with cabinet and doors. These stands provide convenient storage for cooking accessories, saving space, and serving as drop-off locations for items fresh out of the oven. Mobile versions with sturdy castors and lock mechanism brakes allow flexible positioning within the kitchen.
