EMPERO Insulated Pan Carrier is designed for transporting and holding hot food for catering, banquet, and institutional foodservice applications. The cabinet accommodates full-size, 1/2-size, and 1/3-size GN food pans with a capacity of up to 12 GN pans. The durable polypropylene (PP) exterior with foamed-in-place polyurethane insulation provides excellent heat retention while remaining cool to the touch. Heavy-duty latches ensure secure door closure, while ergonomic handles provide safe and comfortable transport. cETLus, ETL-Sanitation, CE. **1-year parts warranty.**
