

SaniServ®

MADE IN USA

MODEL 798R

160
SMOOTHIES/HR

TWO DIFFERENT FLAVORS IN ONE MACHINE

The SaniServ® model 798R counter model frozen beverage freezer can provide **two frozen beverage favorites in one machine!** With an independent drive system in each side of the machine, product can be easily maintained and or changed in either side when desired! The 798R's mix pan is also refrigerated to ensure quicker recovery time. By offering not one, but two frozen products, owners and operators will insure every customer stays satisfied and increase their operating profits! The 798R's remote refrigeration system is ideal for lowering costly indoor air conditioning operating costs by providing less heat build up while providing quieter operation!

About the 798R

Cooling Options

✓ SPACE SAVING - *Small Footprint Design*

SaniServ[®] model 798R provides two frozen beverage flavors in a counter-top model design. Operators will enjoy the ease of operation and the versatility to offer two different types of frozen beverages that customers desire at the same time!

✓ EASY CLEANING AND OPERATION - *Fewer Parts = Simplified Cleaning*

SaniServ[®] equipment is designed and built with the fewest parts to be disassembled, cleaned and sanitized than any other machine in the industry. The state of the art solid-state AccuFreeze[®] control insures product consistency, worry-free operation and customer satisfaction.

✓ HIGH RETURN ON INVESTMENT - *Increased Profits*

SaniServ[®] machines combine efficiency with consistent product quality and fast, quiet operation while insuring customer satisfaction with high profit frozen beverages.

✓ QUALITY DESIGN - *Durability*

SaniServ[®] machines are built to achieve long and dependable life through simplicity of design. Every machine is shipped standard with a stainless steel exterior, durable steel interior frame construction, heavy-duty components and consistency systems.
