DAVANTI by frieling

ANTIMICROBIAL PLACEMATS

"CLASSIC LUXE"

NEW

MADE IN CHILE

Expertly constructed with three layers—a faux leather surface, a structured heavyweight board core, and a polyester backing. Finished with double-stitched edges for an elevated aesthetic, offering an extra-thick, substantial presence.

- Thickness: 2.1 mm

"CROCODILE"

NEW

MADE IN CHILE

Meticulously crafted with three layers—a richly textured faux leather crocodile-pattern top, a reinforced heavyweight board core, and a polyester backing. Discreet single stitching completes the design, while the extra-thick profile conveys lasting quality.

- Thickness: 2.2 mm
