PARCHMENT
PAPER

GREASE ABSORBING PARCHMENT PAPER

Absorbs grease, cleans up easily, reduces plumbing costs.

PROBLEM:

Sheet pan full of grease

SOLUTION:

Frieling's Grease
Absorbing Paper

BEFORE COOKING

AFTER COOKING

Cuts grease, cuts cleaning time, and cuts plumbing repairs

- Cooks food crisper and browns better in less time; bacon no longer requires flipping
- For cooking as well as draining excess fats from cooked foods
- Easy clean-up: No more excess grease on baking sheet
- Avoid costly plumbing repairs—let this paper catch the grease, not your drain

Certified food safe—made in Germany

- FDA compliant; produced by BRC certified facilities
- Proprietary laminated parchment with silicone coated filter paper
- High density of 105g/m², superior wet strength
- Up to 450°F/230°C

Paper absorbs all grease
