The Sunkist® Cut

The 2 Step Half-Wheel Lime Garnish
with the Center Sliced Solutions

Step 1.

Put a lime stem up in a Sunkist® Pro Series
Sectionizer with the Sunkist Cut blade cup
installed

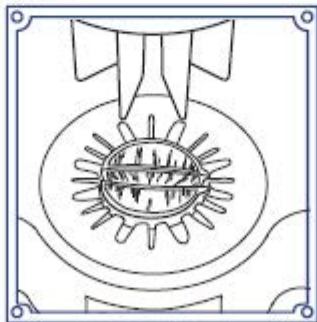

Pull the handle on the
commercial to halve
and score the lime.

Step 2.

In a Sectionizer with 6-slice blade cup
inserted, lay the lime half, peel down on the
rubber cover.

Make sure the score
is perpendicular to
the blades. Slice the
lime.
