SANTA CRUZ

The Santa Cruz collection is designed using the latest in color schemes for the new year – Greystone and barnwood. It is made with a hand-woven, all-weather wicker that won't fade or split, leaving you with a worry-free solution all year long. The frame is constructed of commercial grade tubular aluminum, therefore rust free and lighter weight for easier mobility. This collection, complete with so many possibilities can certainly fill any outdoor space. *Sunbrella® cushions included with limited colors available for an upcharge (ask your rep for more information). *Stocked in Cast Shale 40432.
