Safer For Your Customers Easier For Your Staff

Keep everyone safe by avoiding cross-contamination of allergens. For example, use the red jar and lid for soy products and the yellow jar and lid for non-dairy. These jars and lids are NSF certified.

Faster and Easier To Use

Colored jars and lids make it easier for your employees to know which jar to use for specific blends. Prevent cross-contamination and focus on meeting individual customer needs.

Use Your Own Branding or Design

Make any of our clear or colored jars your own with custom logos or markings. Using Blendtec® colored jars and lids adds a splash of color to draw attention to your blend or brand.

Versatility

Blend smoothies, soups, frozen drinks, etc. Keeps your menu offering fresh.

Latching Lid

Preferred for non-sound enclosure models.

Safe & Strong

Made from durable Tritan™. These jars were built to last.
