8'3" x 16'6" x 8'2"H Walk In Cooler-Freezer Combo

SKU: 10092

Description

New 8'3" x 16'6" x 8'2"H Commercial Walk-In Cooler-Freezer Combo With Dedicated Refrigeration Systems

Walk-in cooler-freezer combo box with floor. Unit can be paired with remote system or without a system.

This new Barr 8'3" x 16'6" x 8'2"H Walk-In Cooler-Freezer Combo provides separate cooler and freezer compartments in one complete commercial cold storage solution. Each 8'3" x 8'3" compartment has its own dedicated Chandler refrigeration system, providing independent cooling for both medium- and low-temperature storage applications. Insulated cam-lock panels, an aluminum diamond plate floor, and flexible door placement make this combo unit a durable and versatile option for cold storage applications.

- Exterior dimension: 8'3" x 16'6" x 8'2"H.
- Cam-locking style wall, floor, and ceiling panels with 4.75" urethane insulation. R-value 32.
- Two separate 8'3" x 8'3" cooler and freezer compartments.
- Cooler includes new Chandler 0.5 HP condensing unit with matching evaporator.
- Freezer includes new Chandler 2 HP condensing unit with matching evaporator.
- 208/230v, 1 Phase, (R-449A).
- Stucco white interior and exterior finish.
- Factory floor with aluminum diamond tread plate floor covering.
- Unit has (2) 36" x 78" hinged swinging doors with mounted door closer, interior safety release, floor sweep, and new vinyl strip curtain kit.
- Doors available in right or left hand hinge and can be positioned on the short exterior wall, long exterior wall, or interior wall.
- 2 light fixtures included (shipped loose).
- 1 year factory warranty on condensing unit and evaporator.
- This panel is designed and certified for use in walk-in cooler-freezer applications.
- NSF/ANSI 7 Approved.

**A2L, PRO3 self-contained, and oversized systems available upon request.
