9'10" x 21'4" x 8'2"H Walk In Freezer with Floor

SKU: 11439

Description

New 9'10" x 21'4" x 8'2"H Walk-In Freezer With Floor

Walk-in freezer box with floor. Unit can be paired with remote system, self-contained system, or without a system.

This new Barr 9'10" x 21'4" x 8'2"H walk-in freezer panel package includes a new low temp refrigeration system. This Barr walk-in freezer is designed and certified for frozen storage applications. Its cam-locking style wall, floor, and ceiling panels feature 4.75" urethane insulation with an R-value of 32, providing a well-insulated enclosure for dependable low-temperature storage. The factory floor features aluminum diamond tread plate for a durable, finished walking surface. Remote system to include a 5 HP Chandler outdoor condensing unit and matching electric defrost evaporator (1 Phase, 208/230v, R-449A).
