

Star-Clean SC16.520

DESIGN

For many years, Star-Clean rotisseries have had a good reputation among supermarkets and in the catering industry, meeting their needs in terms of production and robustness thanks to a high output, speed and quality.

Easy to use, modern and elegant, the interior lighting will enhance the presentation of your various cooked products (poultry, large and small pieces of meat, vegetables etc ...).

Star-Clean will quickly become an asset in your kitchen thanks to the assisted cleaning system: steam injection for softening grease + Brita softened water and high-pressure shower for stain-free cleaning + grease recovery bags placed in the mobile grease trap for disposal.

FEATURES

- Energy efficient
- Convex double-glazed K-glass door
- Integrated grease container with drain valve
- Digital electronic display
- Automatic preheating at start-up
- Steam program (assisted cleaning), connect to softened water
- 6 cooking programs
- Lighting with halogen lamp
- Delivered with 16 baskets (BALSC520)

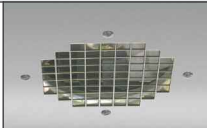

SC16.520

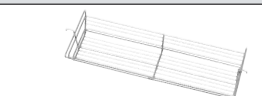

TECHNICAL DETAILS

Overview of some of the standard features.

	Silicone gasket for sealing the door when closed		Retrieval and easy disposal of cooking grease with disposable bags in the mobile grease tray (optional)		Heat diffused by turbine for a homogeneous distribution of the temperature in the cooking chamber.
	Assisted cleaning through the use of the steam injection program for softening cooking grease		High pressure shower for precise cleaning		Rinse without trace thanks to the use of softened water by Brita cartridge (optional).

ACCESSORIES

Videos of the [accessories](#).

BALSC520 Chicken basket		BALRC520AS Small cuts basket		PDSC520 Tray for vegetables and potatoes	
-----------------------------------	---	--	--	--	---

For a rinse without traces Rotisol uses water softeners and accessories by Brita
