OSION

Pure. Durable. Sanitary, Sustainable. Ice Maker

NEVER BE OUT OF ICE!

ABOUT US

WE MAKE PREMIUM ICE AND YOU DO YOUR MAGIC!

As a fully focused manufacturer of commercial ice makers, Osion not only ensures the ice product, but also the innovation of rapidly cooling, optimizing energy and bacteria-less technology wherever you are, and no matter how much you need.

Osion ice makers are a perfect match for your business and operation.

OSION leads manufacturing of high-quality professional ice makers that cater to both small and large businesses across all industry sectors such as foodservice, hospitality, healthcare etc. Our range of products consists of ice machines, ice dispensers, modular ice makers and storage bins, all of which are founded on the basis of quality, durability, and efficiency. Approved through strict certification standards such as ISO-21001, CE, ETL, SAA.

For over 18 years of manufacturing & research experience, 2 year service warranty policy and advantage technology such as 99.9% bacteria free system for safe-ice, energy efficient technology for eco and power savings. We're proud and confident that Osion has attained market acceptance of greater than 86 countries and cooperates with many innovation enterprises such as Woolworth, Hilton, Queen Casino.

When you need ice, think of OSION, we are committed to every detail to ensure you reach your goals successfully!
