STAR-CLEAN MINI-CONCEPT

Space-, time-, and energy-saving Mini Rotisserie Concept with assisted cleaning. Boost impulse sales and maximize food presentation during the cooking process.

The MINI-CONCEPT: Optimization of space with a self-service display

Heated display with dual level stainless steel shelves angled at 10° for grab-and-go convenience. Featuring digital electronic temperature control. Mounted on castors with brakes.

Topped by a programmable STAR-CLEAN convection rotisserie with baskets or chicken spits. 6 pre-set recipes via digital controls. Pre-heat, hold and cool-down cycles.

Wash program cycle removes internal grease and guarantees a quick return to service with low labor impact. Safely dispose of hot grease in optional tub lined with disposable heat--proof liner.

Designed for your operators to load and unload with rear door reach-in and pass-through configurations. Front or rear control options.

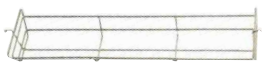

EXPAND MENUS

A variety of baskets and skewers easily slide into place to cook pork loin, turkey breast, meatloaf, ribs, vegetables, and more.
