## D25 CHILLED BEVERAGE MACHINE

The D25 is a high volume chilled beverage machine designed for reliability and ease of use in an attractive mirror stainless finish that accents any placement. The D25 offers an energy efficient cooling system for low cost operation.

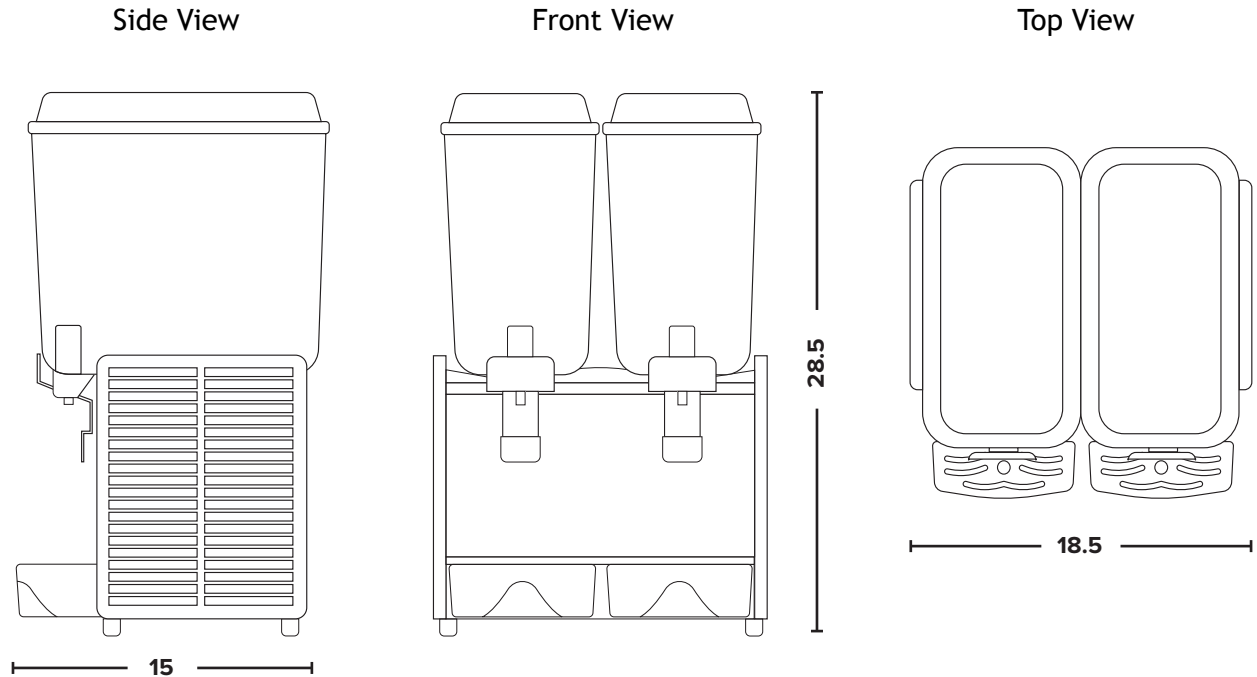

### Features

- Cooling plate on the bottom of the bowl allows beverage cooling down to the last drink.
- Simple two-piece stainless steel dispensing valves are easy to clean and maintain.
- Attractive all stainless steel exterior provides easy cleaning and reduced maintenance.
- Detachable oversized 4.75 gallon (18 L) durable polycarbonate bowls for easy cleaning and lasting durability.
- Engineered evaporator provides fast and efficient cooling with reduced power usage.
- Mixers and bubbler pumps are standard features that are perfect for lemonades, fresh juices, coffees, or teas.
