

MARCO BEVERAGE SYSTEMS

## START-UP / DEMO

- ☐ A visual overview of the machine, does it appear to be installed correctly, any visible kinks in tubing or signs of leaks?
- ☐ Test the machine for proper function through operating the machine
- ☐ Program and calibrate the unit
- ☐ Provide a demonstration/training on the unit
- ☐ Must show proof (pictures) installation has occurred, connections in place, etc.

\* This does not replace a normal install
