Polypropylene Storage Container

- Made of durable polypropylene for enhanced crack-, chip- and dent-resistance and long-lasting performance
- Ergonomic side handles for improved comfortability and efficiency during transporting
- White sliding lid with a clear half side allows for one-hand operation and see-through visibility.
- Lid (sold separately) seals the container for proper storage and transporting.
- Stackable for easy storage
- NSF listed; BPA free: storage containers and non-sliding lids
- IBSC-32: ship by freight only; UPS small package not available
